

Return Policy

**The following document is a detailed adopted pet
return policy for The Munchkins' Mission.
Please read this policy carefully and sign it below.**

As part of The Munchkins' Mission Adoption Contract, it is expected that you will keep your adopted pet for as long as it shall live. However, should unforeseen circumstances arise, the contract states that you **MUST** return the pet to The Munchkins' Mission. Transferring the pet to another owner is prohibited by this contract.

Should the pet be returned to The Munchkins' Mission within 30 days of adoption, a portion of the adoption fee may be refunded. After 30 days, no portion of the adoption fee will be refunded. The entire fee will not be refunded as it is not considered a purchase, but instead a reimbursement of monies invested into the healthcare of the pet.

It is to be understood by all parties that if a pet is returned to The Munchkins' Mission, it will be re-evaluated and all attempts will be made to place the pet into another suitable home.

When returning the pet, you will be asked to present your original signed adoption contract and you will need to sign a surrender release stating that you are relinquishing this pet back to The Munchkins' Mission. An adoption coordinator may interview you regarding the return. Any and all information relating to the return of the pet is considered helpful to finding the pet a permanent home.
